On Monday, December 1st between the hours of noon and 2pm, WVCPD's Community Response Unit will issue vehicle burglary awareness "report cards" to shoppers at the Valley Fair Mall. Detectives will cordon off an area of parked cars at the mall, then check cars for common mistakes that increase the risk of vehicle burglary. Vehicles will be observed for unlocked doors, valuables left in plain sight and other risk factors. Vehicle owners will be issued a "pass" or "fail" report card and detectives will be on hand to educate the public about decreasing the risk of being victimized.

Media is invited to observe this education outreach event as well as conduct interviews.
